

# EMAG2016

**7–8 April 2016**

**Durham University, Durham, UK**

Organised by the IOP Electron Microscopy and Analysis Group

**<http://emag2016.iopconfs.org>**

EMAG is one of the longest running electron microscopy conferences in the UK and attracts international speakers as well as a large part of the UK microscopy community. EMAG also has a proud tradition of supporting PhD students. The conference format consists of oral as well as poster presentations.

EMAG 2016 will be dedicated to a focussed topic (i.e. no parallel sessions), so that there is more opportunity for networking among delegates. It is expected that the conference theme will be sufficiently broad to interest researchers working in the applications of electron microscopy, technique and instrument development as well as simulations. We expect 100+ delegates to attend the conference, which will be held on 7–8 April 2016 in Durham.

## Exhibition

A two-day trade exhibition will be held for delegates to explore the latest advances in instrumentation. The exhibition is an opportunity for those companies working in Electron Microscopy or related fields, to meet with conference participants, discuss their latest developments and techniques, and promote their products and services. Exhibitors will also feature on the conference website increasing visibility within the wider community.

The exhibition will be located in the Derman Christopherson and Kingsley Barrett rooms together with refreshments, lunch and posters.

## Who should exhibit?

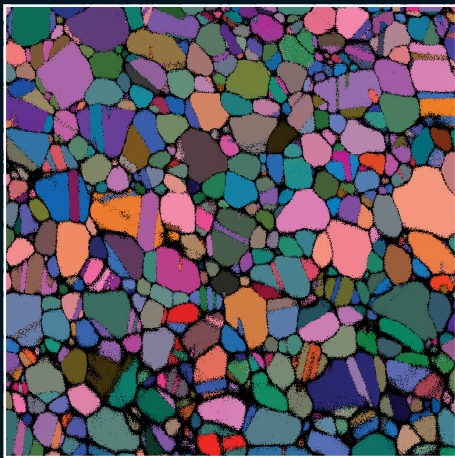

- Manufacturers or agents providing equipment associated with electron microscopy
- Publishers working in the scientific community
- Employers of science graduates

## Exhibition package

**£300 + VAT\***

**Space is available as a table-top display and includes:**

- A table and chair in the Derman Christopherson and Kingsley Barrett rooms with catering and posters
- Company logo and link on the conference website
- Access to the technical sessions
- Lunch and refreshments for one exhibitor representative for the duration of the exhibition
- One A4 insert in the delegate packs

## Sponsorship

### Why sponsor?

- An opportunity to promote your organisation and raise your profile within the wider community
- Promote your company name to participants prior to, during and after the conference – these include decision-makers, scientists and students
- Demonstrate your commitment to assisting the development of young researchers
- Your support of the conference will be acknowledged widely through web-based and printed material
- Sponsorship contributes significantly to the promotion, planning and operation of the conference, reducing the overall cost of managing the event and enabling a higher level of participation.

### Conference reception **£300 + VAT\***

**Thursday 7 April** (exclusive item)

- Acknowledged as the sponsor during the reception
- Acknowledged as a sponsor in the programme
- Logo and link to your website via the conference website

### Conference dinner **£600 + VAT\***

**Thursday 7 April** (exclusive item)

- Logo on the conference dinner tickets
- Opportunity to display material at the conference dinner venue
- Acknowledged as a sponsor in the programme
- Logo and link to your website via the conference website

### Pens/pads/gift items **£200 + VAT\* (per item)**

(exclusive item, sponsoring company to provide items)

- Sponsor's logo can appear on the sponsored item
- Logo and link to your website via the conference website

### Delegate bag inserts **£200 + VAT\***

- Sponsoring company to provide inserts (maximum size one sheet of A4)

\*VAT is charged at the prevailing rate of 20%.
